SUMMARY OF BENEFITS: INTRODUCTION

Who can join?

To join Blue MedicareRx Value Plus or Blue MedicareRx Premier, you must:

- Be entitled to Medicare Part A and/or be enrolled in Medicare Part B
- Be a U.S. citizen or be lawfully present in the United States
- Live in our service area

Our service area includes the following: Central New England (Connecticut, Massachusetts, Rhode Island, and Vermont).

Which Drugs Are Covered?

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website (rxmedicareplans.com). Or, call us and we'll send you a copy of the formulary.

How will I determine my drug costs?

Our plans group each medication into one of five tiers. You'll need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you've reached. There are four benefit stages in your Medicare prescription drug coverage: Annual Deductible Stage, Initial Coverage Stage, Coverage Gap Stage, and Catastrophic Coverage Stage. For more information about formulary tiers and stages of the benefit, please see the plan's formulary and the Evidence of Coverage on our website at rxmedicareplans.com, or contact Customer Care.

Which pharmacies can I use?

We have a network of pharmacies and you must generally use these pharmacies to fill your prescriptions for covered Part D drugs.

Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies.

You can see our plans' pharmacy directories at our website (rxmedicareplans.com), or call us and we'll send you a copy of the pharmacy directory.

SUMMARY OF BENEFITS

Stage 3: Coverage Gap Stage

Most Medicare drug plans, including Blue MedicareRx Value Plus (PDP) and Blue MedicareRx Premier (PDP), have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you’ll pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you’ve paid) reaches \$4,660.

After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand-name drugs and 25% of the plan’s cost for covered generic drugs until your costs total \$7,400, which is the end of the coverage gap. Not everyone will enter the coverage gap.

Under **Blue MedicareRx Premier (PDP)**, you may pay even less for the brand-name and generic drugs on the formulary. Your cost varies by tier. You’ll need to use your formulary to locate your drug’s tier. See the chart below to find out your costs.
